Our Mission

Our mission is to equip and empower Christians to vote wisely and be good stewards of their citizenship in order to restore the principles of limited government, free enterprise, and traditional American values.

Individualized, Easy to Use

iVoterGuide makes voting easy by providing you a personalized ballot based on your zip code, letting you compare candidates and identify which ones most closely share your values. We don't make endorsements. Instead, we research candidates, looking at what they've done, not just what they say they'll do.

Data-Driven

Using donation records, scorecards, endorsements, and candidate issue surveys, iVoterGuide researches 3,500 races across the country. We don't tell you who to vote for; we give you the information you need to decide for yourself and educate others.

Every Issue, Nationwide

From immigration and healthcare to family values, religious liberty, and fiscal responsibility — iVoterGuide covers all the issues most important to you, and backs it with quantifiable research. We cover candidates across the nation and down the ballot because your values matter, and your votes matter.
