1	Human life begins at conception and deserves legal protection at every stage until natural death.	Strongly Disagree  I am for abortion rights but I do not know how deep into the pregnancy I am for it.
2	What role should the school serve in helping a student with an unwanted or crisis pregnancy?	Tell the student to tell their parents they are pregnant. Let them know there are crisis pregnancy groups in Texas that can help them. Let them know they can get an abortion out of state if that is what the young woman wants.,
<b>Economy</b>		
1	Free enterprise and the right to private property are essential elements of a productive economic system.	Strongly Disagree  Pro capitalist, low tax, low government her.
2	What is your position on government funding of public education from Pre-K through college?	It should be eliminated.
<b>Religious Liberty</b>		
1	Teachers should be required to refer to students by pronouns which are misaligned with their gender at birth even if it would violate the teacher's moral and/or religious beliefs.	Strongly Disagree  If you have a dick you are a boy. If you have a pussy you are a girl. If you don't know what the fuck you are, you are Karl Rove.
<b>Education</b>		
1	Abortion and gender-affirming providers, including Planned Parenthood, should be a resource for instruction or services in the school.	Neutral  It is okay if Planned Parenthood lets the kids know about contraception and out of state abortion services, but absolutely no tranny promotion should be going on.
2	Consistent discipline creates a safe and orderly environment, which is essential for student learning.	Agree  Which is precisely why Donald Trump should be thrown in jail for trying to murder Mike Pence and overthrowing the U.S. government on January 6, 2021.
3	Do you believe print and digital material available or presented to students should be easily accessible for public review, including those without children enrolled in school?	Yes  Absolutely because we need to know what the sickos, suckos, psychos and sex weirdo public education teachers are trying to indoctrinate our kids with.

<b>Education (Continued)</b>		
4	Educators should give students a thorough education in America's founding documents and cultivate American patriotism.	Agree  The part I disagree with is "cultivate American patriotism" which has been warped into fascism by the Bush Iraq War and 15 years later by the Trumpkins.
5	I support Diversity, Equity, and Inclusion (DEI).	Strongly Disagree  Oh, fuuuuuuuuck no.
6	I support eliminating the U.S. Department of Education and giving control back to states and communities.	Strongly Agree  I agree and candy ass Ronald Reagan said he was going to do it but he never did. Republican party has very little credibility with me. It's is mainly religious wackos and war mongers and Trumpkin fascists.
7	Please list in order the following priorities in relation to the role of a K-12 public school (omitting any that do not apply): American History, Art & Music, Civics, Critical Race Theory, Foreign Language, Gender Identity, Information Technology, Language Arts, Mathematics, Personal Finances, Physical Fitness, Political Activism, Science, Sexuality, Social Emotional Learning, Vocational Learning	Schools should teach that Lyndon Johnson murdered JFK and that Israel is an ethno-racist apartheid state that oppressed the Palestinians and drugs the USA into insane Middle Eastern wars.
8	The state should fund education by allowing dollars to follow the child instead of the bureaucracy, through a program which allows parents the freedom to choose their child's school – public, private, or homeschool.	Strongly Disagree  Nope. You are better off just eliminating public schools rather than trying this backdoor trick.

10	Which type of written parental consent should be obtained before students are taught courses such as Comprehensive Sex Education (CSE)? (A) Opt-In. (B) Opt-Out. (C) None.	B) Opt-Out. Parents will find out quickly just how bad the liberal sex weirdos are.

3	If you support the teaching of Sex Ed, please answer the following question: Sexual education should include these topics (list all that apply and add your own, if needed) -- abortion methods and side effects; abstinence; consent; contraceptive methods; human anatomy/the reproductive system; physical and emotional health outcomes; sex acts and pleasures of sex; sexual orientation and gender identity; stages of pregnancy and fetal development	It should include pretty much all that EXCEPT sex acts and pleasures of sex. Teach them the missionary position and they can find out about all the weird stuff later.
4	Children have a right to reach maturity without chemical or surgical castration, which would damage their healthy bodies through surgeries and may cause infertility and a life-long dependence on cross-sex hormones.	Strongly Agree  Parents and doctors who try to turn their kids into trannies pre-age 18 should go to jail ASAP.
5	Children have the right to be protected from hypersexualization (including drag shows and explicit materials) in schools and	Strongly Agree  Yes, but I do support a heterosexuality themed "hot teacher" bikini contest. Sorry no drag shows here.
6	Marriage is a God-ordained, sacred and legal union of one man and one woman essential to the formation and sustaining of a civil and prosperous society.	Strongly Agree  Yes, but maybe the faggots should be allowed to have a "civil union" because they ain't going away. Just look at Rick Perry, Karl Rove, George W. Bush, GW Bush - all of them closet homos who act like they are straight. Add in Obama, Hillary too.
7	Parents have the fundamental right to raise their child in accordance with their beliefs and values, including the right to make decisions about the child's education and healthcare.	Strongly Agree  Unless the dad raped the daughter, parents should be able to decide if their kid gets an abortion.

Strongly Agree The last biological male in a sorority was Ted Bundy at the Chi Omega sorority house at Florida State, and look what he did! However, if Karl Rove ever goes to jail, I have no idea where we are going to put him!
<b>About You</b>		
1	Have you ever been convicted of a felony? If so, please explain.	No thank God. I do think reformed felons who have served their time should be allow to vote.
2	Have you ever been penalized for sexual misconduct in either civil or criminal court? If so, please explain.	No. But neither has completely criminal sex pervert Bill Clinton. Trump was only held to account recently. You should be asking "HAVE YOU EVER RAPED A WOMAN. If so, please provide us the explicit details."

<b>2nd Amendment</b>		
1	Faculty who are licensed to carry and have had ongoing training should be allowed to carry guns at school in order to respond to an active shooter situation.	Strongly Agree  This is a no-brainer yes. A well armed cook can do wonders for school security!
<b>Other Important Issues</b>		
1	In the event of a pandemic, school districts can mandate whatever health precautions they deem necessary (including masks and vaccines) to protect students and staff.	Strongly Disagree  I do not support forced vaccines although I am fully vaxxed myself.
