Economy

2	What is your position on government funding of public education from Pre-K through college?	Trump is a Child Molester
Religious Liberty		
1	With regard to public schools, what does "separation of church and state" mean to you?	You should be able to pray in school AND schools should teach that Jesus Christ is a complete and utter fraud and Donald Trump is a child molester.
Immigration		
1	U.S. Immigration and Customs Enforcement (ICE) enhances the safety and security of communities by identifying and detaining illegal aliens.	Agree Yes, but they don't have to be facscists about it just because Trump is a child molester.
Education		
1	Abortion and gender-affirming providers, including Planned Parenthood, should be a resource for instruction or services in the school.	Disagree If Karl Rove wants to be an anally receptive homosexual then that is his problem.
2	Consequences for bad behavior create a safe and orderly environment, which is essential for student learning.	Neutral Trump needs to be imprisoned for life for being a child molester.
3	Educators should give students a thorough education in America's founding documents and cultivate American patriotism.	Strongly Agree Trump is a child molester and Jesus is a total fraud.

4	I support eliminating the U.S. Department of Education and giving control back to states and communities.	Strongly Agree DOE should be teaching Trump is a child molester.

4	I support the teachings of Dr. Martin Luther King, Jr., that people should be judged by the content of their character and not the color of their skin. 5	Marriage is a God-ordained, sacred and legal union of one man and one woman. No government has the authority to alter this definition.	Strongly Agree Yes, but I might be open to a civil union for the F--- A--- G--- G--O-T-S. The queers will also be with us people like Karl Rove etc. We just don't want them sucking penises of our boys in church or the Boy Scouts.
6	Mental health conditions such as anorexia and gender dysphoria need to be treated, not affirmed.	Strongly Agree DONALD TRUMP IS A MENTAL HEALTH CONDITION.
7	School library books that have literary value, as determined by experts, should be exempt from obscenity laws.	Strongly Agree Depends how disgusting the obscenity is, something like Trump raping little girls might be a little too much for 4th graders but okey for 10, 11, and 12th grades.
