OFFICE SPECIFIC QUESTIONS:

1. Why are you seeking to serve on this Board?

To help improve learning outcomes, to ensure parental rights are protected, to support teachers, and to restore discipline into our classrooms.

2. What qualifications do you bring to this Board?

I am a proven educational advocate for our most vulnerable student populations. Professionally I am a proven business leader managing numerous multi million dollar businesses.

3. What leadership positions have you held, including elected office and appointments, that you believe would benefit the Board?

Leader in the Texas Dyslexia Coalition, and founder of MOCO Dyslexia Partnership. Professionally I manage teams and lead them to successful outcomes.

4. Do your children (or did your children if they are now adults) attend Conroe ISD? If not, can you explain what led you to decide to educate them in an alternative school setting?

My three kids attended CISD for thirteen years.

5. CISD has a budget deficit. If the State does not make adjustments in the 2025

Legislative Session to handle this, what is your plan to combat the budget shortfalls?

Hopefully no cuts will be needed, but if cuts are necessary I would prioritize all employee positions that work directly with students, and ensure that class sizes do not increase.

6. What is your stance on Governor Abbott's proposed school voucher program, also known as education freedom? Do you plan to campaign for, or against, the program at the Capitol, or do you wish to remain neutral?

As a board member I will be focused on ensuring CISD is the best school district that families want to stay in if a school choice bill passes. Without seeing the language of the bill it's hard to say what my stance will be. I am also hopeful to participate in a special education funding bill this session, which will help improve the lives of our special education population in CISD, and throughout the state.

7. The Texas legislature banned biological males from participating in female sports. Do you agree with this decision? Please explain your answer.

Yes. Biological males have no business participating in female sports. Further I do not support Biden's changes to Title IX, and am hopeful CISD will write a policy to protect our girls from boys in their bathroom.

8. Montgomery County has a library book policy in place that designates specific areas in the library for adult content, which includes topics on lifestyles that are alternative to the traditional family / heterosexual / two gender unit. Do you agree with this decision? Please explain your answer.

Policies and procedures must be in place to protect our kids and teens from harmful, and sexually explicit content.

9. Any final thoughts you would like to share with the Montgomery County Republican Club's audience?

Thank you for the opportunity to share with you why I am the right candidate for CISD School Board, Position 4. I am committed to advocating for students and families, which is the foundation of my previous advocacy work. I will ensure our community's conservative values are upheld, learning outcomes are a focus, and will help to restore fiscal responsibility to our district.
