OFFICE SPECIFIC QUESTIONS:

1. Why are you seeking to serve on this Board?

I am a graduate of CISD and I would like to make CISD the safest and most desirable school district to be apart of.

2. What qualifications do you bring to this Board?

I am a Texas A&M Graduate with a background in finance as well as many years of experience working in a leadership role.

3. What leadership positions have you held, including elected office and appointments, that you believe would benefit the Board?

I lead large teams at HEB as a manager and not only know how to lead but also know how to work well with others to reach a common goal.

4. Do your children (or **did** your children if they are now adults) attend Conroe ISD? If not, can you explain what led you to decide to educate them in an alternative school setting? My children are too young but will be attending CISD. Currently my kids are in a Christian school because I believe in a strong, firm foundation.

5. CISD has a budget deficit. If the State does not make adjustments in the 2025 Legislative Session to handle this, what is your plan to combat the budget shortfalls?

We have to take a look at the budget as a whole and see if there are any areas that can be adjusted without effecting the education of the children.

6. What is your stance on Governor Abbott's proposed school voucher program, also known as education freedom? Do you plan to campaign for, or against, the program at the Capitol, or do you wish to remain neutral?

I do not agree with sending money, that the school already does not have, elsewhere. This will cause multiple levels of issues throughout the entire district.

7. The Texas legislature banned biological males from participating in female sports. Do you agree with this decision? Please explain your answer.

Yes! Men should not compete with women in any sport. I would not want my daughter to have to compete with a male that may be larger and or stronger.

8. Montgomery County has a library book policy in place that designates specific areas in the library for adult content, which includes topics on lifestyles that are alternative to the traditional family / heterosexual / two gender unit. Do you agree with this decision? Please explain your answer.

Yes. I do not believe children should have access to books that they are not yet ready for. There is a certain age of maturity a child should have to reach before they should have access to those books. Children cannot make major life altering decisions so therefore why would they need books on alternative lifestyles.

9. Any final thoughts you would like to share with the Montgomery County Republican Club's audience?
